

UCSF May Submit 1 Application

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: AHA Strategically Focused Vascular Disease Research Network

(https://professional.heart.org/professional/ResearchPrograms/StrategicallyFocusedResearchPrograms/UCM_490924_2018-Vascular-Disease-Research-Network.jsp)

PURPOSE:

- To solicit applications for the Strategically Focused Vascular Disease Research Network
- To enhance the understanding of the causes, biology, pathophysiology and epidemiology of vascular diseases, and to develop more effective ways to prevent and treat them with ultimate improvement in outcomes.
- Each Center must have three (3) research projects in two (2) of these three (3) disciplines: basic, clinical, and population science. All projects must focus on Vascular Disease research.

ELIGIBILITY:

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply for AHA support.

BUDGET AND PROJECT PERIOD:

- Award Budget: up to \$3,709,200 total costs
 - 10% institutional indirect costs may be claimed by one institution
 - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: limited to 4 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

DUE DATES:

- **Internal: 10am**, Friday, August 4th, 2017.
- **Please note PIs may submit directly to the LSP; RMS does not get involved unless and until you are nominated**
- Sponsor: Tuesday, September 26th, 2017

Submit the following in **ONE PDF file by 10am, August 4, 2017, to: limitedsubmissions@ucsf.edu**

1. Limited Submission Pre-proposal Cover Sheet with signatures (form attached to email)
2. Project Summary (2-pg. max., including references)
3. NIH Bio-sketch (5-pg. max., including publications)
(<http://grants.nih.gov/grants/forms/biosketch-blankformat-Forms-D.docx>)
4. List of Current and Pending Support

Please note that the LSP no longer requires a chair letter or signature on the pre-application

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.
