
REQUEST FOR APPLICATIONS NUMBER: RFA-DE-18-003

PURPOSE:

- To encourage applications for institutional research career development (K12) programs from organizations that propose to develop outstanding clinician scientists through an integrated program of advanced clinical training in a recognized dental specialty and supervised research training leading to a PhD in biomedical or behavioral science, or in another field applicable to dental, oral and craniofacial research
- To accelerate the process of early career dentist scientists in achieving competencies in both clinical and research areas and facilitate the transition to an independent and productive research career dedicated to improving dental, oral and craniofacial health.

ELIGIBILITY:

- The PD/PI should be an established and active investigator in dental, oral and craniofacial research, have experience in research training, and should be capable of providing both administrative and scientific leadership to the development and implementation of the proposed program. The PD/PI is expected to have active peer-reviewed research funding at the time of application and ongoing independent peer-reviewed research support at R01 or R01 equivalent levels in dental, oral and craniofacial research

BUDGET AND PROJECT PERIOD:

- Award Budget: Application budgets are not limited, but need to reflect the actual needs of the proposed project
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: limited to 5 years

AWARD TYPES ALLOWED: New

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

DUE DATES:

- **Internal**: 10am, Friday, April 28th, 2017. If multiple groups submit an LOI, a pre-application will be due Friday, May 12th, 2017.
- Please note PIs may submit directly to the LSP; RMS does not get involved unless and until you are nominated
- Sponsor: Monday, July 3rd, 2017

Submit the attached Letter of Intent (LOI) by 10am, April 28, 2017, to: limitedsubmissions@ucsf.edu
The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.
