

Event Video Recordings

The RDO hosts a variety of events; when available, recordings of these events are posted here.

Within your reach: Using Implementation Science to advance your team science

December 11th, 2018

A networking event focused on integrating Implementation Science (IS) into research. Dr. Margaret Handley, co-director of the Implementation Science Program, gave an overview of IS. The overview was followed by a panel discussion, moderated by Dr. Claire Brindis, focused on how the panelists have integrated IS into their research. Panelists were Delphine Tuot, Valy Fontil, and Priya Shete.

Horizon 2020

November 9th, 2018

Presented by colleagues from Horizon 2020 ^[1], the European Union's research and innovation funding program.

Addiction Research Team Science Event

June 28th, 2018

A networking event focused on addiction research. Speakers included Frederic Hopf, Margot Kushel, David Pennington, Steven Batki, and Joe Gurdish.

Autoimmunity Research Team Science Event

February 27th, 2018

A networking event focused on autoimmunity research. UCSF faculty Drs. Sergio Baranzini, Cristina Lanata, Jennifer Puck, Michael Wilson, and Jimmy Ye gave lightning talks.

Marcus Mixer 2

February 21st, 2018

The second annual Marcus Mixer, part of the Marcus Program in Precision Medicine Innovation. 7 Marcus Awardees and 3 other UCSF faculty gave lightning talks. Speakers included Drs. Chloe Atreya, Stephanie Christenson, Zimu Deng, Sam Goldman, Barbara Koenig, Tung Nguyen, Sam Pleasure, Dean Sheppard, Avanthi Shah, and Claire Brindis.

Get to Know PCORI

October 2, 2017

Dr. Joe Selby, Executive Director of PCORI, gave an overview of the institute, and five PCORI-funded UCSF investigators discussed elements of preparing a successful PCORI proposal (panel discussion not recorded). The slide deck is available here [2].

Consortium on Infant Crying

August 15, 2017

UCSF faculty Drs. Amy Gelfand, Elizabeth Rogers and Michael Cabana, and visiting speaker Nurse Judy, gave lightning talks on the topic of infant crying.

National Science Foundation Presentation

June 21st, 2017

Dr. Charles Cunningham, Program Director and CDF Cluster Leader in the Division of Molecular and Cellular Bioscience at NSF, presented to faculty and staff at UCSF. Slides available here [3].
