UCSF May Submit 2 Applications per Department

Internal Deadline: NOON, Wednesday, October 18, 2023

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: AASLD Foundation Clinical, Translational, and Outcomes Research Award in Liver Diseases (http://www.aasldfoundation.org/awards-programs/clinical-translational-and-outcomes-research-award)

PURPOSE:
- To foster career development for individuals performing clinical research, translational research, or outcomes research in a liver-related area and who have shown commitment to excellence at an early stage of their research study.
- The proposed project must be clinical (direct contact with patients, clinical trials), translational (investigation using patient samples), or outcomes-based (epidemiological studies, patient-centered outcomes, or health services) research. Applications in health disparities-related research are encouraged.
- One award per year will be reserved for meritorious transplant-related research in memory of the University of Michigan Transplant Team.

ELIGIBILITY:
- The applicant must:
  - Be within the first 5 years of their first faculty appointment (including prior appointments at other universities) at the start of the award (faculty appointment starting no earlier than July 1, 2019).
  - Be a member of the American Association for the Study of Liver Diseases (AASLD) at the time of award application and maintain active membership for the duration of the award period.
  - Be able to devote at least 50% effort to the research project on which this application is based.
  - Have a mentor or co-mentor who is an AASLD member in good standing at the time of application and for the duration of the award period.
  - Not hold or have held any other similar award that is intended to primarily support the salary of early career investigators (including but not limited to NIH R, P or most K level grants (see sponsor website for more common programs).

BUDGET AND PROJECT PERIOD:
- Award Budget: $200,000 direct costs per year ($100,000 per year)
  - Funds may only be used for PI salary support and/or for technical support/laboratory supplies (excluding capital equipment) for the recipient. No additional or indirect costs, registration fees, or travel expenses are allowed.
- Project Period: 2 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 2 per department.
DUE DATES:

- Internal: **NOON, Wednesday, October 18, 2023.**
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor: Monday, December 04, 2023

Submit the following in ONE PDF file by **NOON, October 18th** to: limitedsubmissions@ucsf.edu

1. Limited Submission Pre-proposal Cover Sheet with signatures (form attached to email)
2. Project Summary (1-pg. max, excluding references)
3. NIH Bio-sketch (5-pg. max., including publications)  
   ([https://grants.nih.gov/grants/forms/biosketch.htm](https://grants.nih.gov/grants/forms/biosketch.htm))

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.
