UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Monday, January 3rd, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: CDC Clinical and Applied Research Strategies for the Prevention and Control of Fungal Diseases
(https://www.grants.gov/web/grants/view-opportunity.html?oppId=334842)

REQUEST FOR APPLICATIONS NUMBER: RFA-CK-22-006

PURPOSE:
- To conduct high quality clinical and applied fungal public health research activities to improve fungal public health outcomes in the United States and territories. Projects may be quantitative, qualitative, or mixed-methods epidemiological studies, laboratory-based studies, or other types of research projects focusing on:
  - Improving the understanding of fungal disease epidemiology.
  - Optimizing the diagnosis and treatment of patients with fungal diseases
  - Understanding the impact of public health interventions to mitigate the impact of fungal diseases.
- This NOFO addresses both established and emerging fungal pathogens and encompasses domestic health projects. All clinical and applied research projects should include clear mechanisms for informing fungal public health policy and practice at local, national, and regional levels.

ELIGIBILITY:
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:
- Award Budget: up to $500,000 total costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New

DUE DATES:
- Internal: 11:59 PM, Monday, January 3rd, 2022. If multiple groups submit an LOI, an additional pre-application will be due Monday, January 10th.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor: Tuesday, February 15th, 2022.
Submit the attached Letter of Intent (LOI) by **11:59 PM, January 3rd**, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: [http://rdo.ucsf.edu/limited-submission-program-lsp](http://rdo.ucsf.edu/limited-submission-program-lsp)

Sent by Avity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
