

## UCSF May Submit 1 Application

Internal Deadline: **NOON**, Friday, August 02, 2024

### **PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS**

**WHAT:** Curing Kids Cancer (<https://curingkidscancer.org/grants>)

#### **PURPOSE:**

- To overcome barriers to clinical application of new treatment approaches for childhood cancer. A priority is to fund projects that have already shown great promise, but that have a specific funding need to move forward. The three main areas of focus are:
  - Cancer immunotherapy/Targeted therapy
  - High-grade brain tumors or other difficult-to-treat pediatric cancers
  - Epigenetic modifying therapy or gene editing
- Application of novel technologies (e.g. nanotechnology) in these areas are welcome. Applications to fund correlative studies associated with clinical trials in the focus areas will be considered. Funding for the associated clinical trial must have already been secured and applications must include a description of the developmental pathway for the therapeutic approach.
- Applications may be for either an **Individual** grant or a **Collaborative** multi-institutional grant (at least 2 collaborating divisions of pediatric hematology/oncology)

#### **ELIGIBILITY:**

- Open to all applicant levels with MD and/or PhD

#### **BUDGET AND PROJECT PERIOD:**

- Award budget:
  - **Collaborative Multi-Institutional Grant Award:** \$300,000
  - **Individual Grant Award:** \$150,000
  - 10% indirect costs from the total award will be allowed (e.g., maximum \$15,000 indirect and \$135,000 direct costs per award).
  - The NIH salary cap must be employed.
- Project Period: 1 year
  - A second year of funding may be applied for but will require full review.

#### **NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1**

#### **DUE DATES:**

- **Internal:** **NOON**, Friday, August 02, 2024
- **PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.**
- Sponsor: Monday, September 30, 2024

Submit the following in **ONE PDF file** by **NOON**, August 02, to: [limitedsubmissions@ucsf.edu](mailto:limitedsubmissions@ucsf.edu)

1. Limited Submission Pre-proposal Cover Sheet with signatures (form attached to email)
2. Project Summary (1-pg. max, excluding references)

3. NIH Bio-sketch (5-pg. max., including publications)  
([https://grants.nih.gov/grants/forms/biosketch-blankformat\\_exp%2002-28-2023.docx](https://grants.nih.gov/grants/forms/biosketch-blankformat_exp%2002-28-2023.docx))

*To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.*

*The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.*

*For information on all current LSOs, please visit: <http://rdo.ucsf.edu/limited-submission-program-lsp>*

*Sent by Amanda Yu on behalf of the Research Development Office (RDO), Limited Submission Program (LSP).*
