UCSF May Submit 1 Application

Internal Deadline: NOON, Friday, January 12th, 2024

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: Bioimaging Research Approaches for the Bioeconomy & Environment (https://www.grants.gov/search-results-detail/351379)

REQUEST FOR APPLICATIONS NUMBER: DE-FOA-0003231

PURPOSE:
- BER is soliciting applications in the following subtopic areas: 1) fundamental imaging or sensing research from concept to validation or 2) evaluation of biological hypotheses or questions with feasible, use-inspired prototypes. Under subtopic 1) applications could evaluate, untested concepts, and theoretical models, develop novel experimental prototypes and validate measurement accuracy against known technical or biological validation standards. Under subtopic 2) research of experimental prototypes of instruments and methods that will include demonstration of feasibility leading to hypothesis-driven biological experimentation to demonstrate value to the user community.
- Please see the link above for more details on subtopic areas

ELIGIBILITY:
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the PI is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply

BUDGET AND PROJECT PERIOD:
- Award Budget: up to $16,000,000 total costs
  o UCSF indirect cost policy will apply except for non-federal entities.

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

DUE DATES:
- Internal: NOON, Friday, January 12th, 2024. If multiple groups submit an LOI, an additional pre-application will be due Friday, January 26th, 2024 NOON.
- Please note PIs may submit directly to the LSP; RMS does not get involved unless and until you are nominated
- Sponsor: Tuesday, March 5th, 2024

Submit the attached Letter of Intent (LOI) by NOON, January 12th, 2024, to: limitedsubmissions@ucsf.edu
To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: http://rdo.ucsf.edu/limited-submission-program-lsp
