UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Wednesday, September 15th, 2021

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

REQUEST FOR APPLICATIONS NUMBER: RFA-DK-21-024

PURPOSE:

- To support basic, translational and clinical research in pediatric kidney disease.
- The goals of this program are:
  - To attract new scientific expertise to the study of human pediatric renal physiology, kidney development, and pediatric kidney disorders.
  - To encourage multidisciplinary research in these areas.
  - To develop the pediatric nephrology research community through a national research symposium, broad sharing of research resources, and a national Pilot and Feasibility grant program.
- These efforts are expected to lead to innovative approaches to study kidney disease in children and the eventual submission of substantial, competitive, investigator-initiated research applications.
- The Pediatric Centers of Excellence in Nephrology will complement the O’Brien Kidney and Urological Research Centers and are expected to leverage existing institutional resources which may include Clinical Translational Science Awards, Institutional Network Awards for Promoting Kidney, Urologic, and Hematologic Research Training (U2C/TL1), and other NIDDK-Division of Kidney, Urologic and Hematologic Diseases (KUH)-funded consortia.

ELIGIBILITY:

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:

- Award Budget: up to $500,000 direct costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: up to 5 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New, Renewal

CURRENTLY FUNDED INSTITUTIONS: Children’s Hospital of Philadelphia; Cincinnati Children’s Hospital Medical Center; University of Virginia
DUE DATES:

- **Internal:** **11:59 PM**, Wednesday, September 15th, 2021. If multiple groups submit an LOI, an additional pre-application will be due Wednesday, September 29th, 2021.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor: Thursday, November 18th, 2021.

Submit the attached Letter of Intent (LOI) by **11:59 PM, September 15th**, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: [http://rdo.ucsf.edu/limited-submission-program-lsp](http://rdo.ucsf.edu/limited-submission-program-lsp)

Sent by Avity Norman on behalf of the Limited Submissions Program (LSP) within the Research Development Office (RDO).
