UCSF May Submit 1 Application per Component

Internal Deadline: 11:59 PM, Thursday, December 2nd, 2021

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

REQUEST FOR APPLICATIONS NUMBER: RFA-DP-22-001

PURPOSE:

- To create a research network consisting of multiple study sites for assessing:
  - System and individual level barriers and facilitators to participation in and completion of structured lifestyle intervention programs as implemented by the CDC National Diabetes Prevention Program (NDPP), including the Medicare Diabetes Prevention Program (MDPP).
  - The long-term effectiveness and cost-effectiveness of NDPP/MDPP.
- This opportunity has two components:
  - Component A - Longitudinal Cohort: To establish a study cohort to identify system and individual level barriers and facilitators to the enrollment and completion of the NDPP/MDPP, and to evaluate the long term effectiveness and cost-effectiveness of the NDPP/MDPP.
  - Component B - Coordinating Center: To provide the infrastructure for data storage, harmonize data collection and data analysis, and ensure statistical, logistics, and communications support to enhance the efficiency and productivity for component A activities.

ELIGIBILITY:

- Component A (Longitudinal Cohort) applicants must provide evidence of being able to access a cohort of individuals meeting eligibility criteria for the NDPP/MDPP (both participated in the NDPP/MDPP and not participated but eligible for the NDPP/MDPP program), individual program participation information of the NDPP/MDPP participants, medical records and health care utilization and expenditure data for all study participants.
  - A minimum sample size of 5,000 NDPP/MDPP program enrollees and equal or a greater number of matched controls is required per applicant.
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:

- Award Budget:
  - Component A: up to $570,000 total costs per year
  - Component B: up to $350,000 total costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
• Project Period: 5 years

**NUMBER OF APPLICATIONS UCSF MAY SUBMIT:** 1 for Component A (Longitudinal Cohort) and 1 for Component B (Coordinating Center)

**APPLICATION TYPES ALLOWED:** New

**DUE DATES:**
- **Internal:** 11:59 PM, Thursday, December 2nd, 2021. If multiple groups submit an LOI, an additional pre-application will be due Sunday, December 12th, 2021.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.

Submit the attached Letter of Intent (LOI) by **11:59 PM, December 2nd,** to:
limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: [http://rdo.ucsf.edu/limited-submission-program-lsp](http://rdo.ucsf.edu/limited-submission-program-lsp)

Sent by Avity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
