

UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Wednesday, December 14, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: CDC Enhancing Capacity for Strategic and Applied Research Activities in Support of Control and Elimination of Neglected Tropical Diseases (<https://www.grants.gov/web/grants/view-opportunity.html?oppid=342978>)

REQUEST FOR APPLICATIONS NUMBER: RFA-GH-23-001

PURPOSE:

- To advance strategic and operational research in support of neglected tropical disease (NTD) control and elimination, particularly in sub-Saharan African NTD-endemic countries.
- To fund critical implementation research projects and evaluation activities to inform NTD control and elimination in countries endemic for onchocerciasis, lymphatic filariasis, trachoma, schistosomiasis, and soil transmitted helminthiases (STH). Funded activities may include program monitoring and evaluation and surveillance.
- To support research that will provide tools and information to improve NTD and parasitic vector-borne disease program activities, and where feasible the integration of evaluation and surveillance activities for multiple NTDs and parasitic vector-borne diseases.

ELIGIBILITY:

- If specific criteria, list here; otherwise use below
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply for SPONSOR support.

BUDGET AND PROJECT PERIOD:

- Award Budget:
 - Up to \$1,500,000 total costs in the first year
 - Up to \$9,500,000 total costs across the total project period
 - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New

DUE DATES:

- **Internal: 11:59 PM, Wednesday, December 14, 2022.** If multiple groups submit an LOI, an additional pre-application will be due Wednesday, January 04, 2023.
- **PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.**

- Sponsor: Friday, March 10, 2023.

Submit the attached Letter of Intent (LOI) by **11:59 PM**, December 14, to:
limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: <http://rdo.ucsf.edu/limited-submission-program-lsp>

Sent by Limited Submission Program (LSP) within the Research Development Office (RDO).
