UCSF May Submit 4 Applications

Internal Deadline: 11:59 PM, Monday, August 08, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: Google PhD Fellowship ([https://research.google/outreach/phd-fellowship/](https://research.google/outreach/phd-fellowship/))

PURPOSE:

- To support outstanding graduate students doing exceptional and innovative research in areas relevant to computer science and related fields. Fellowships support promising PhD candidates of all backgrounds who seek to influence the future of technology in the following fields:
  - Algorithms, Optimizations and Markets
  - Computational Neural and Cognitive Sciences
  - Health Research
  - Human-Computer Interaction
  - Machine Learning
  - Machine Perception, Speech Technology and Computer Vision
  - Mobile Computing
  - Natural Language Processing
  - Privacy and Security
  - Programming Languages and Software Engineering
  - Quantum Computing
  - Recommender Systems
  - Structured Data and Database Management
  - Systems and Networking

- Students will be matched with a Google Research Mentor. If a Fellowship student is interested, an internship at Google is encouraged, but not guaranteed or required.

ELIGIBILITY:

- Applicant must:
  - Be a full-time graduate student pursuing a PhD in a computer science-related field (including but not limited to Bioengineering or Biological and Medical Informatics).
  - Have completed graduate coursework by the academic award year when the Fellowship begins.

- Applicant must NOT:
  - Be a Google employee or the spouse, child, or member of the household of a Google employee.
  - Already be supported by a comparable industry award. Government or non-profit organization funding does not count against an applicant’s eligibility.

BUDGET AND PROJECT PERIOD:

- Award Budget:
  - Full tuition and fees (enrollment fees, health insurance, books) plus a stipend for living expenses, travel, and personal equipment.
  - UCSF indirect cost policy will apply except for non-federal entities.

- Project Period:
  - Up to 3 years.
Awardee must remain enrolled full-time in the PhD program for the duration of the Fellowship or else forfeit the award.

**NUMBER OF APPLICATIONS UCSF MAY SUBMIT:** 4, if at least 2 self-identify as women, Black/African descent, Hispanic/Latino/Latinx, Indigenous, and/or having a disability.

**DUE DATES:**
- **Internal:** 11:59 PM, Monday, August 08, 2022. If more than the allowable number of applicants submit an LOI, an additional pre-application will be due Thursday, August 18.
- **Student applicants submit directly to the LSP; RMS does not get involved unless and until you are nominated.**
- **Sponsor:** Friday, September 30, 2022.

Submit the attached Letter of Intent (LOI) by 11:59 PM, Monday, August 08, 2022, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: [http://rdo.ucsf.edu/limited-submission-program-lsp](http://rdo.ucsf.edu/limited-submission-program-lsp)

Sent by Limited Submission Program (LSP) within the Research Development Office (RDO).
