REQUEST FOR APPLICATIONS NUMBER: HRSA-21-018

**UCSF IS MAKING A COLLABORATIVE EFFORT TO RESPOND TO THIS OPPORTUNITY. PLEASE SEE BELOW FOR INSTRUCTIONS.**

PURPOSE:

- To create a Primary Care Dental Faculty Development Center which supports the career development of junior primary care dental faculty through training and development activities led by the Center and subawards made to the institutions that employ the junior faculty.
- The Center will serve as a resource and training hub to support the development of Trainees and for those Trainees to develop the necessary skills to
  - Support their development as future clinical educators and leaders in primary care dentistry.
  - Develop the necessary skills to conduct primary care dental faculty development activities at their home institutions and in community-based clinical primary care settings and other entities in rural and/or medically underserved settings
  - Integrate oral health and primary care
  - Teach how to provide oral health care across the life span as part of age-friendly health systems.

ELIGIBILITY:

- Eligible applicant organizations include accredited schools of dentistry, public or nonprofit private hospitals, or public or private nonprofit entities which the Secretary has determined are capable of carrying out such grant or contract such as an academic health center with an accredited primary care dental residency program. The Center and subrecipient home institutions must be accredited by the Commission on Dental Accreditation (CODA) before September 1, 2021.
- Trainee candidates must meet the following requirements before their home institution’s application is submitted:
  - Have a health professional degree (DDS, DMD, DH).
  - Be a licensed dentist or dental hygienist.
  - Have a full time, non-tenured junior faculty appointment at an accredited dental school or dental hygiene school (i.e., instructor or assistant professor).
  - Be within 10 years of having graduated from a dental hygiene training program, a dental school, or from having completed a dental primary care residency (pediatrics, general dentistry, dental public health), or from having completed a post-professional degree.
  - Be a citizen, national, or permanent resident of the United States.
BUDGET AND PROJECT PERIOD:
- Award Budget: up to $700,000 total costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years
