UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Monday, December 6th, 2021

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: HRSA National Fetal, Infant, and Child Death Review Center
(https://www.grants.gov/web/grants/view-opportunity.html?oppId=334388)

REQUEST FOR APPLICATIONS NUMBER: HRSA-22-084

PURPOSE:
- To prevent fetal, infant, and child deaths nationally by increasing the capacity of state, community and tribal fetal, infant, child, and adolescent death reviews to collect high-quality uniform data; translate data into action at the community, state, and national levels; and expand fetal, infant, and child death reviews to additional states, territories and tribes.
- The program will support coordinated leadership and technical assistance to state and community fetal, infant, and child fatality review teams to ensure a standardized and coordinated approach for quality fatality reviews, data collection, and dissemination of findings to inform practice and prevention strategies.
- Additional funding may be available for FICDR Expansion Activities to enhance the capacity of the FICDR program for the collection of data by fatality review teams on Sudden Unexpected Infant Deaths (SUID) and Sudden Unexplained Deaths in Childhood (SUDC), disseminate SUID and SUDC data, and make such data available to researchers in order to inform activities for the prevention of SUID and SUDC.

ELIGIBILITY:
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:
- Award Budget: up to $1,449,996 per year
  - An additional $1,000,000 per year may be available for FICDR Expansion Activities.
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New, Competing Continuation

CURRENTLY FUNDED INSTITUTION: Michigan Public Health Institute

DUE DATES:
• **Internal:** **11:59 PM,** Monday, December 6th, 2021. If multiple groups submit an LOI, an additional pre-application will be due Thursday, December 16th.
• **PIs** submit directly to the LSP; RMS does not get involved unless and until you are nominated.
• **Sponsor:** Wednesday, February 16th, 2022.

Submit the attached Letter of Intent (LOI) by **11:59 PM, December 6th,** to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: [http://rdo.ucsf.edu/limited-submission-program-lsp](http://rdo.ucsf.edu/limited-submission-program-lsp)

Sent by Avity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
