UCSF May Submit 1 Application to each RFA

Internal Deadline: 11:59 PM, Wednesday, July 27, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: HRSA Nurse Education, Practice, Quality and Retention

**UCSF IS MAKING A COLLABORATIVE EFFORT TO RESPOND TO THIS OPPORTUNITY. PLEASE SEE BELOW FOR INSTRUCTIONS.**

PURPOSE:

- **Registered Nurse Training Program**: To increase the number of nursing students trained in acute care settings to address and manage social determinant of health factors and improve health equity and health literacy in underserved areas. The program aims to enhance nursing education and practice to advance the health of patients, families, and communities and improve health outcomes by strengthening the capacity and skillset of undergraduate student nurses (including underrepresented racial and ethnic minorities) prepared to provide high quality culturally sensitive care in underserved communities.

- **Clinical Faculty and Preceptor Academies**: To increase the nursing workforce by recruiting, training and producing skilled qualified clinical nursing faculty and nursing preceptors. The program will prepare nurses to serve as nursing clinical faculty and preceptors to newly hired or transitioning licensed nurses in a variety of care settings. The NEPQR-CFPA program aims to create academies consisting of academic-clinical partnerships to develop and implement a formal curriculum to train clinical nursing faculty and preceptors.

ELIGIBILITY:

- Eligible applicants include accredited schools of nursing, health care facilities including federally qualified health centers or nurse-managed health clinics, or a partnership of such a school and facility.

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:

- **Registered Nurse Training Program**: up to $350,000 total costs per year for 3 years
- **Clinical Faculty and Preceptor Academies**: up to $1,000,000 total costs per year for 4 years
- UCSF indirect cost policy will apply except for non-federal entities.
