Internal Deadline: 11:59 PM, Wednesday, July 13, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: HRSA Strengthen the Evidence for Maternal and Child Health Programs
(<https://www.grants.gov/web/grants/view-opportunity.html?oppld=339186>)

REQUEST FOR APPLICATIONS NUMBER: HRSA-23-072

PURPOSE:

- To increase the effective design, implementation, and monitoring of evidence-based or -informed strategies by Title V Maternal and Child Health (MCH) Services Block Grant programs in order to improve maternal and child health.
- Specific activities may include, but are not limited to:
 - Provision of targeted technical assistance and supports to all 59 states and jurisdictions focused on state-identified MCH priorities.
 - Evaluation and revision of evidence analysis reports, as appropriate, and identification of evidence-based or -informed strategies for all Title V National Performance Measures.
 - Maintenance and expansion of the MCH Digital Library, which provides access to current and historical digital and downloadable resources for all Title V Block Grant and stakeholder communities.
 - Development of brief, timely evidence reviews on high-priority MCH topics to inform policy and programmatic decision-making for local, state, and national MCH partners.

ELIGIBILITY:

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:

- Award Budget: up to \$700,000 total costs per year
 - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years
