

UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Monday, October 03, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: HRSA Infant, Child, and Adolescent Preventive Services (ICAPS) Program with Additional Funding for Early Hearing Detection and Intervention Activities (<https://www.grants.gov/web/grants/view-opportunity.html?oppld=340398>)

REQUEST FOR APPLICATIONS NUMBER: HRSA-23-074

PURPOSE:

- To help care providers and care teams provide optimal health promotion and preventive services to infants, children, adolescents, young adults and their families. This Program accomplishes this purpose through two sets of program expectations and requirements:
 - Bright Futures Pediatric Implementation: Reviews evidence to support recommendations for updated evidence-based preventive services guidelines for infants, children, and adolescents, as well as advancement of innovations in health promotion and preventive services for these populations.
 - Advancing Systems/Technical Assistance (TA) for Healthy Tomorrows, Healthy Tomorrows Resource Center: Provides technical assistance to entities receiving HRSA award funding under the Healthy Tomorrows program.
- In addition, one year of additional funding is available for Early Hearing Detection and Intervention (EHDI) activities. The purpose of the EHDI additional funding award is to provide training and educate providers caring for infants and children who are deaf or hard of hearing, as well as state/territory Early Hearing Detection and Intervention (EHDI) programs, on evidence-based practice to ensure that these infants and their families have timely access to early intervention and comprehensive care.

ELIGIBILITY:

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:

- Award Budget: up to \$1,566,000 total costs per year
 - Up to \$200,000 additional funding for EHDI
 - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years
 - EHDI funding is limited to 1 year

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New, Competing Continuation

DUE DATES:

- **Internal: 11:59 PM**, Monday, October 03, 2022. If multiple groups submit an LOI, an additional pre-application will be due Wednesday, October 26, 2022.
- **Pls submit directly to the LSP; RMS does not get involved unless and until you are nominated.**
- Sponsor: Wednesday, December 14, 2022.

Submit the attached Letter of Intent (LOI) by 11:59 PM, October 03, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: <http://rdo.ucsf.edu/limited-submission-program-lsp>

Sent by Avity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
