REQUEST FOR APPLICATIONS NUMBER: HRSA-24-038

PURPOSE:
The purpose of the Supporting Healthy Start Performance Project (SHSPP) is to provide training and technical assistance to support Healthy Start (HS), Healthy Start Initiative - Enhanced (HSE), and Catalyst for Infant Health Equity grant recipients in improving their service delivery, meeting outcome measures, and building program capacity to work with community partners to improve health and social service systems to reduce maternal and infant health disparities.

To carry out these activities, the SHSPP recipient will serve as the Healthy Start Technical Assistance and Support Center (TASC). Training and TA strategies provided by the SHSPP are expected to acknowledge and respond to SDOH affecting HS grant recipients across the country.
