
REQUEST FOR APPLICATIONS NUMBER: HRSA-24-064

PURPOSE:
- ADAP ERF awards are intended for states/territories that demonstrate the need for additional resources to prevent, reduce, or eliminate ADAP waiting lists, including through cost-containment measures (for example, the provision of health care coverage assistance). A priority is given to addressing existing waiting lists.
- HRSA continues to anticipate an increase in potential clients in need of ADAP services due to loss of income and/or loss of health care coverage among people with HIV. States/territories may use ERF funds to address current or projected increases in treatment needs aligned with ending the HIV epidemic in the U.S. or other unanticipated increases in the number of clients in their ADAP.

ELIGIBILITY:
- Eligible applicants are limited to RWHAP Part B states/territories that need additional funding:
  - to reduce or eliminate an existing ADAP waiting list,
  - to actively prevent the implementation of an ADAP waiting list,
  - to address a projected increase in treatment needs aligned with ending the HIV epidemic in the U.S., and/or
  - to address other unanticipated increases in the number of clients in the program due to new diagnosis, re-engagement in care, loss of income, and/or loss of health care coverage.
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:
- Award Budget:
  - You may request funding for a period of performance of up to one year, at no more than $10,000,000 per year if you have a current ADAP waiting list or $7,000,000 per year if you do not have a current ADAP waiting list. The funding amount requested includes direct and indirect costs. UCSF indirect cost policy will apply except for non-federal entities.
