UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Wednesday, November 02, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: CDC Developing a Public Health Tool to Predict the Virality of Vaccine Misinformation Narratives (https://www.grants.gov/web/grants/view-opportunity.html?oppId=343402)

REQUEST FOR APPLICATIONS NUMBER: RFA-IP-23-006

PURPOSE:
- To support research to develop a predictive forecasting model that identifies new or reemerging misinformation narratives that are likely to disseminate widely and have a high potential for impact on vaccine confidence. The information from this model will then be used to develop a tool that public health agencies could use to predict misinformation trends in the populations served. Finally, the researchers will evaluate the tool's predictive capabilities on both future social media misinformation narratives and real-world events.

ELIGIBILITY:
- Any individual with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director/Principal Investigator (PD/PI) is invited to work with their organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.

BUDGET AND PROJECT PERIOD:
- Award Budget: up to $500,000 total costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 2 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New

DUE DATES:
- Internal: 11:59 PM, Wednesday, November 02, 2022. If multiple groups submit an LOI and are unable to collaborate, an additional pre-application will be due Wednesday, November 16, 2022.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor: Friday, January 06, 2023.

Submit the attached Letter of Intent (LOI) by 11:59 PM, November 02, to: limitedsubmissions@ucsf.edu
To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: http://rdo.ucsf.edu/limited-submission-program-lsp

Sent by Avity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
