PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: NIH NINDS Clinical Trial Methods in Clinical Neurological Disorders Course (R25 Clinical Trial Not Allowed) (<https://grants.nih.gov/grants/guide/rfa-files/RFA-NS-23-030.html>)

REQUEST FOR APPLICATIONS NUMBER: RFA-NS-23-030

PURPOSE:

- to support educational activities in the mission areas of NINDS. The overarching goal of this R25 is to attract investigators who are new to or with limited exposure to clinical research, promote training of this workforce with the long-term goal of increasing the reliability and effectiveness of clinical trials by:
 - introducing the principles of good clinical practice to investigators in any clinical neuroscience subspecialty.
 - exposing early career clinical scientists to the challenges and potential solutions to overcome these challenges in clinical research.
 - increasing the number and expertise of knowledgeable clinical research investigators in the workforce to enhance the pipeline of scientifically sound, well-designed clinical trials.
- To accomplish the stated over-arching goal, this NOFO will support educational activities with a primary focus on:
 - *Courses for Skills Development*
 - *Research Experiences*

ELIGIBILITY:

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply for NIH support.

BUDGET AND PROJECT PERIOD:

- Award Budget:
 - NINDS intends to commit approximately \$250,000/year to fund 1 award.
 - Application budgets are not limited but need to reflect the actual needs of the proposed project.
 - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: The scope of the proposed project should determine the project period. The maximum project period is 5 years.
