

UCSF May Nominate 1 Early-Career Scientist & 1 Senior Scientist

Internal Deadline: 11:59 PM, Monday, February 13, 2023

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: New York Academy of Sciences Innovators in Science Award: Cancer Immunology (<https://www.nyas.org/awards/innovators-in-science-award/>)

PURPOSE:

- To recognize bold, creative scientists seeking to increase our molecular and immunological understanding of cancer and inform novel therapeutic approaches.

ELIGIBILITY:

- Early-Career Scientist:
 - Have been engaged in active research for a length of time of 10 years or less since gaining their doctorate degree or equivalent. Extensions may be requested for applicants who have taken family, medical, military, or other qualifying leave.
 - Currently hold a junior level postdoctoral or faculty position.
 - Have made impactful research contributions and show exceptional promise for significant future achievement in the field of cancer immunology.
- Senior Scientist
 - Have been engaged in active research for a length of time of more than 10 years since gaining their doctorate degree or equivalent.
 - Currently hold a senior level faculty position.
 - Have made multiple, extensive, and impactful research contributions to advance the field of cancer immunology.
- The New York Academy of Sciences encourages all those submitting nominations to include researchers from underrepresented groups in science and medicine.

BUDGET:

- Award Budget: \$200,000 unrestricted funds
 - UCSF indirect cost policy will apply except for non-federal entities.

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1 Early-Career Scientist & 1 Senior Scientist

APPLICATION TYPES ALLOWED: New

DUE DATES:

- **Internal: 11:59 PM**, Monday, February 13, 2023.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor Nomination: Friday, March 31, 2023.

Submit the following in ONE PDF file by 11:59 PM, February 13, to: limitedsubmissions@ucsf.edu

1. Limited Submission Pre-proposal Cover Sheet with signature (form attached to email)
2. Project Summary (1-pg. max, excluding references)

3. NIH Biosketch (5-pg. max, including publications)
(<https://grants.nih.gov/grants/forms/biosketch.htm>)

To qualify for UCSF Limited Submissions Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: <http://rdo.ucsf.edu/limited-submission-program-lsp>

Sent by Avity Norman on behalf of the Limited Submissions Program (LSP) within the Research Development Office (RDO).
