UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Monday, March 13, 2023

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: NIH NHGRI Mentored Research Experiences for Genetic Counselors (R25) (https://grants.nih.gov/grants/guide/pa-files/PAR-21-074.html)

REQUEST FOR APPLICATIONS NUMBER: PAR-21-074

PURPOSE:
- To support educational activities that encourage individuals from diverse backgrounds, including those from groups underrepresented in the biomedical and behavioral sciences, to pursue further studies or careers in research, by supporting creative educational activities with a primary focus on Research Experiences.
- This program will provide research experiences with the intention to extend the skills, experiences, and knowledge of genetic counselors. The program should provide experiences that allow the genetic counselors to enhance skills necessary to formulate and conduct genomic research independently and that is not available through other formal NIH training mechanisms. Research experiences should be in genome sciences, genomic medicine, and/or ethical, legal, and social implications in genomics research.

ELIGIBILITY:
- The PD/PI must be an established investigator with significant research funding from NIH (e.g. multiple research grants, a large center grant, or cooperative agreement, etc.) in genomics data science and capable of providing both administrative and scientific leadership to the development and implementation of the proposed program. The PD/PI will be expected to monitor and assess the program and submit all documents and reports as required.
- Participants must have graduated from an accredited master's degree in genetic counseling program. This program does not support doctoral students. Please see RFA for full participant eligibility requirements.

BUDGET AND PROJECT PERIOD:
- Award Budget: $250,000 direct costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 5 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New, Resubmission

DUE DATES:
- **Internal: 11:59 PM,** Monday, March 13, 2023. If multiple groups submit an LOI, an additional pre-application will be due Monday, March 27, 2023.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.

- Sponsor: Thursday, May 25, 2023.

Submit the attached Letter of Intent (LOI) by 11:59 PM, March 13, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: http://rdo.ucsf.edu/limited-submission-program-lsp

Sent by Avity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
