

UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Monday, August 08, 2022

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: NIH ORIP Modern Equipment for Shared-use Biomedical Research Facilities: Advancing Research-Related Operations (R24) (<https://grants.nih.gov/grants/guide/pa-files/PAR-22-190.html>)

REQUEST FOR APPLICATIONS NUMBER: PAR-22-190

PURPOSE:

- To fund the purchase of advanced equipment that will enhance and modernize research-supporting operations of biomedical research facilities. Targeted are laboratory research core facilities, animal research facilities, and other similar shared-use research spaces.
- This FOA does **not** support the purchase of scientific research instruments or their components, imaging equipment or other data-collection technology, or components of building-level infrastructure equipment that indirectly support research activities. **Please read the RFA carefully to determine whether your equipment request is appropriate for this funding mechanism.**

ELIGIBILITY:

- Any individual with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director/Principal Investigator (PD/PI) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply.
- The PD/PI does not need to have an NIH research grant or any other research support. The PD/PI may be a core or an animal research facility director, tenured, or non-tenured faculty member of the applicant organization. Typically, the PD/PI will be a scientist with a leadership role in overseeing or managing the shared-use facility and relevant scientific or technical expertise (documented in the biographical sketch) related to the requested technology.

BUDGET AND PROJECT PERIOD:

- Award Budget:
 - Award budget must be between \$50,000 and \$350,000 direct costs.
 - For requests of multiple pieces of the same or different equipment, the minimum budget for any given piece is \$15,000.
 - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: up to 1 year

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New

DUE DATES:

- **Internal: 11:59 PM**, Monday, August 08, 2022. If multiple groups submit an LOI, an additional pre-application will be due Monday, August 22.
- **Pls submit directly to the LSP; RMS does not get involved unless and until you are nominated.**
- Sponsor: Monday, November 07, 2022.

Submit the attached Letter of Intent (LOI) by 11:59 PM, August 08, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: <http://rdo.ucsf.edu/limited-submission-program-lsp>

Sent by Aivity Norman on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
