

UCSF May Submit 2 Applications

Internal Deadline: NOON, Friday, February 09, 2024

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: Packard Fellowships for Science and Engineering (<https://www.packard.org/wp-content/uploads/2024/12/2025-Packard-Fellowship-Guidelines.pdf>)

PURPOSE:

- To provide support for highly creative researchers early in their careers. Well-established and well-funded faculty members are less likely to receive award.
- The Foundation emphasizes support for innovative individual research, rather than extensions or components of large-scale, ongoing research programs.
- Disciplines that will be considered include physics, chemistry, mathematics, biology, astronomy, computer science, earth science, ocean science, and all branches of engineering. Research in social sciences or clinical research will not be considered. Please note that the Packard Advisory Board includes scientists from a wide range of disciplines, so research statements should be written for a broad audience.

ELIGIBILITY:

- Must be faculty member eligible to serve as principal investigator engaged in research in the natural and physical sciences or engineering.
- Candidates must be faculty members in the first three years of their faculty careers, that is, whose initial faculty appointments began no earlier than May 31, 2022, and no later than May 31, 2025.

BUDGET AND PROJECT PERIOD:

- Award Budget: \$875,000 total costs
 - \$175,000 total costs per year
 - \$17,500 per year is available to the university as compensation for administrative costs.
- Project Period: 5 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 2

DUE DATES:

- **Internal:** NOON, Friday, February 07, 2025
- Pls submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor Nomination Deadline: Saturday, March 15, 2025
- Sponsor Application Deadline: Sunday, April 20, 2025

Submit the following in ONE PDF file by NOON, February 07, to: limitedsubmissions@ucsf.edu:

1. Limited Submission Pre-proposal Cover Sheet with signatures (form attached to email)
2. Project Summary (2-pg. max; relevant figures, images or references may be included on a third page)

3. NIH Bio-sketch (5-pg. max, including publications)
(<https://grants.nih.gov/grants/forms/biosketch.htm>)

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: <http://rdo.ucsf.edu/limited-submission-program-lsp>

Sent by Amanda Yu on behalf of the Research Development Office (RDO), Limited Submission Program (LSP).
