

UCSF May Submit 1 Application
Internal Deadline: NOON, Monday, December 23, 2024

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: NIH NCI National Clinical Trials Network - Network Group Statistics and Data Management Centers (U10 Clinical Trial Required) (<https://grants.nih.gov/grants/guide/rfa-files/RFA-CA-24-031.html>)

REQUEST FOR APPLICATIONS NUMBER: RFA-CA-24-031

PURPOSE:

- To provide the infrastructure for the conduct of national clinical trials through the National Clinical Trials Network (NCTN).
- The primary goal of the NCTN is the conduct of multi-center, late-phase, clinical treatment trials (i.e., randomized phase 2 and phase 3 trials) and advanced imaging trials across a broad range of cancers, modalities, and diverse patient populations as part of the NCI's overall clinical research program for adults, adolescents and young adults, and children with cancer.

ELIGIBILITY:

- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from diverse backgrounds, including underrepresented racial and ethnic groups, individuals with disabilities, and women are always encouraged to apply for NIH support.
- An individual who is designated as a PD/PI on the application for this NOFO for the Network Group Statistics and Data Management Center must not be designated as a PD/PI on an application for any of the NCTN key components listed below:
 - Network Group Operations Centers ([RFA-CA-24-030](#))
 - Canadian Collaborating Clinical Trials Network ([RFA-CA-24-032](#))
 - Network Lead Academic Participating Sites ([RFA-CA-24-033](#)) and
 - Network Radiotherapy and Imaging Core Services Centers ([RFA-CA-24-034](#)).

BUDGET AND PROJECT PERIOD:

- Award Budget: Application budgets are not limited, but need to reflect actual needs of the proposed project
 - Because the nature and scope of the proposed research will vary from application to application, the size of each award will vary
- Award Project Period: The total project period requested may not exceed 6 years.
