UCSF May Submit 2 Applications per Department

Internal Deadline: NOON, Wednesday, November 15, 2023

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

WHAT: Radiological Society of North America Research Scholar Grant
(https://www.rsna.org/research/funding-opportunities/research-grants/research-scholar-grant)

PURPOSE:
• To support junior faculty members who have completed resident and fellowship programs, but haven’t been recognized as independent investigators. Funding is intended to help establish recipients as investigators and to support them as they collect preliminary data that could lead to other funding in the future.
• Any area of research in the radiologic sciences is eligible for funding. Projects focused on advancing imaging science, developing or evaluating medical imaging technology or making innovative use of imaging science to answer important biologic or clinical questions are encouraged. Projects may include any of the following:
  o Hypothesis-driven basic science
  o Clinical investigation
  o Drug, device or therapy development
  o Comparative effectiveness
  o Evidence-based radiology
  o Ethics and professionalism
  o Quality improvement
  o Clinical practice efficiency
  o Imaging informatics

ELIGIBILITY:
• Applicant must:
  o Be a member of RSNA at the time of application.
  o Hold a full-time faculty position in a department of radiology, radiation oncology or nuclear medicine.
  o Have been hired within the last 8 years with an academic rank of instructor, assistant professor or an equivalent title.
  o Have completed advanced training and be certified or on track for certification by either the American Board of Radiology (ABR) or The Royal College of Physicians and Surgeons of Canada.
• Applicant must not:
  o Have been a principal investigator on a grant or contract totaling more than $60,000 in a single year. This includes single and combined grants and contracts from government, private and commercial sources.
  o Be employed by any for-profit, commercial company in the radiologic sciences.
  o Have a concurrent RSNA grant.
  o Have previously accepted any of the following grants: ARRS Scholar Award, AUR GE-Radiology Research Academic Fellowship (GERRAF), RSNA Research Scholar Grant.
BUDGET AND PROJECT PERIOD:
- Award Budget: up to $100,000 total costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
- Project Period: 2 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 2 per department

DUE DATES:
- Internal: NOON, Wednesday, November 15, 2023. If multiple applicants from the same department submit an LOI, an additional pre-application will be due Wednesday, November 29, 2023.
- PIs submit directly to the LSP; RMS does not get involved unless and until you are nominated.
- Sponsor: Friday, January 19, 2024.

Submit the attached Letter of Intent (LOI) by NOON, November 15, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.

For information on all current LSOs, please visit: http://rdo.ucsf.edu/limited-submission-program-lsp

Sent by Amanda Yu on behalf of the Limited Submission Program (LSP) within the Research Development Office (RDO).
