WHAT: Centers for Disease Control Understanding and Improving Immunization Services among Adult Hospital Inpatient and Observation/Clinical Decision Unit Settings

(https://www.grants.gov/web/grants/view-opportunity.html?oppId=307643)

REQUEST FOR APPLICATIONS NUMBER: RFA-IP-19-003

PURPOSE:  
- To support research to:
  - 1) obtain a better understanding of existing vaccination practices, and adult vaccination coverage levels, for adult hospital inpatients and patients admitted to 24-hour observation or clinical decision units and
  - 2) implement and evaluate intervention(s) to improve the approach to delivering vaccination services, and adult vaccination coverage levels, among the populations above, using CDC’s Standards for Adult Immunization Practices for all Advisory Committee on Immunization Practices (ACIP)-recommended adult immunizations.

ELIGIBILITY:  
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the PI is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply

BUDGET AND PROJECT PERIOD:  
- Award Budget: up to $3,000,000 total costs
  - UCSF indirect cost policy will apply except for non-federal entities.
