CDC Surveillance of Congenital Heart Defects Among Children, Adolescents, and Adults

REQUEST FOR APPLICATIONS NUMBER: CDC-RFA-DD19-1902

PURPOSE:
- To develop accurate and complete, population-based surveillance of congenital heart defects (CHDs) among children, adolescents, and adults
- To develop surveillance of individuals aged 1-45 years with CHDs in order to examine descriptive epidemiology, survival, healthcare utilization, comorbidities, and other outcomes over time (Component A)
- To validate billing codes (e.g. ICD-9-CM, ICD-10) for CHDs in healthcare claims data, and determine best ways to use healthcare claims data for surveillance of CHDs across the lifespan (Component B)

ELIGIBILITY:
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the PI is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply

BUDGET AND PROJECT PERIOD:
- Component A:
  - Award Budget: up to $500,000 total costs per year
    - UCSF indirect cost policy will apply except for non-federal entities.
  - Project Period: up to 5 years
- Component B:
  - Award Budget: up to $300,000 total costs per year
    - UCSF indirect cost policy will apply except for non-federal entities.
  - Project Period: up to 3 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 2 total; 1 per component

DUE DATES:
- Internal: 11:59 PM, Thursday, February 28th, 2019. If multiple groups submit an LOI, an additional pre-application will be due Wednesday, March 6th, 2019.
- Please note PIs may submit directly to the LSP; RMS does not get involved unless and until you are nominated
- Sponsor: Wednesday, April 17th, 2019
Submit the attached Letter of Intent (LOI) by **11:59 PM, February 28th, 2019**, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.
