UCSF May Submit 1 Application

Internal Deadline: 11:59 PM, Thursday, January 10th, 2019

PLEASE FORWARD THIS ANNOUNCEMENT TO ALL APPROPRIATE FACULTY AND RESEARCH ADMINISTRATORS

REQUEST FOR APPLICATIONS NUMBER: RFA-OD-19-014

PURPOSE:
- To facilitate and accelerate the translation of academic biomedical discoveries into products that improve patient care and public health
- To provide the qualifying institutions with the funds to seed the creation of academic entrepreneurship Hubs
- Hubs will be responsible for providing innovators with both the initial investment and resources to support the proof of concept work and the mentorship in product development and commercialization needed to develop high priority technologies that address the highest US disease burden within the NIH’s mission
- Hubs are intended to work as a consortium to enable: (1) the infrastructure for identifying the most promising technologies, (2) funding for product definition studies (e.g. feasibility studies, prototype development, proof-of-concept studies) provided to individual researchers, (3) access to expertise in areas required for early stage technology development (including scientific, regulatory, reimbursement, business, legal, and project management), and (4) skills development and hands-on experience in entrepreneurship

ELIGIBILITY:
- Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply

BUDGET AND PROJECT PERIOD:
- Award Budget: up to $1,000,000 total costs per year
  - UCSF indirect cost policy will apply except for non-federal entities.
  - This FOA requires a minimum of a 1:1 cash match of the direct costs of the award and must be included in the application as well as reported
- Project Period: up to 4 years

NUMBER OF APPLICATIONS UCSF MAY SUBMIT: 1

APPLICATION TYPES ALLOWED: New

DUE DATES:
Submit the attached Letter of Intent (LOI) by **11:59 PM, January 10th, 2019**, to: limitedsubmissions@ucsf.edu

To qualify for UCSF Limited Submission Program opportunities, applicants must have a paid UCSF appointment either at the time of application or anticipated by the time of award.

The LSP is a selection process, not an award process. As the LSP is under significant time constraints, all reviewer feedback is optional. We encourage you to seek other avenues for proposal feedback.
