Solution Summary (NTE 3 pages, excluding ROM) - upload to the Solution Summary file submissions section

- (1) What health problem are you trying to solve? Articulate your objectives using absolutely no jargon.
- (2) How is it done today, and what are the limits of current practice?
- (3) What is new in your approach and why do you think it will be successful?
- (4) Who cares? If you succeed, what difference will it make? What Health Outcomes are you accelerating?
- (5) Describe your teams' qualifications and their levels of effort.
- (6) What are the R&D milestones that you will accomplish during the project timeline (24 months)?

Rough order of Magnitude (ROM) (not part of 3 page maximum) - upload to the Solution Summary file submissions
